A Cades Cove Childhood Margaret McCaulley, J.C. McCaulley

The remote Smoky Mountain community of Cades Cove still lives in the memory of J.C. McCaulley, one of the few remaining former residents, who offers an exclusive glimpse into a childhood in the Cove. His stories, compiled by his wife Margaret, are a testament to a way of life long abandoned--a life before automobiles, television and perhaps too much exposure to the outside world; a life of hard work and caring for your neighbors. Join the McCaulleys in their quest to preserve the beauty, tranquility and traditions of this pristine community, and dare to dream of a way of life that encouraged independence, integrity and the courage to overcome adversity.
