## **Human Relations in Organizations: Applications and Skill Building, 9th Edition** Robert Lussier

Lussier's *Human Relations in Organizations: Applications and Skill Building*, 9th Edition employs a workbook-style approach. This approach is perfect for instructors who want to incorporate activities and exercises into the classroom, and benefits students who want to understand concepts as well as apply and develop skills that they can use in their daily and professional lives. The book provides a balanced, three-pronged approach:

- A clear concise understanding of human relations/organizational behavior concepts
- The application of human relations/organizational behavior concepts for critical thinking in the business world
- The development of human relations/organizational behavior skills
