Want to be a Real Man?

My book will be an exciting adventure in discovery for all men seeking to know who they are. My six years in Zambia was filled with exciting, dangerous, and amazing encounters with the jungle, wild animals, near-death struggles, and risky business ventures. What I learned about myself and God will help other men who are struggling to find their identity. Men will be encouraged by my story and all the difficulties I faced trying to do things in my own strength, and they will be able make better decisions than I did. It is only in Christ where real manhood is found. In Him we are affirmed because He created us to be in a relationship with God through Him.
