St. Anselm

Anselm of Canterbury: The Major Works (Oxford World's Classics) St. Anselm

Although utterly convinced of the truth of Christianity, Anselm of Canterbury struggled to make sense of his religion. He considered the doctrines of faith an invitation to question, to think, and to learn; and he devoted his life to confronting and understanding the most elusive aspects of Christianity. His writings on matters such as free will, the nature of truth, and the existence of God make Anselm one of the greatest theologians and philosophers in history, and this translation provides readers with their first opportunity to read his most important works within a single volume.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
