La Sagouine

Antonine Maillet

La Sagouine Antonine Maillet

The premise is deceptively simple: a dirt-poor charwoman and former prostitute leans on her mop and tells her life story. But what a story! As she reminisces and rants, telling stories about herself, her friends and neighbours, the priest and his church, and every other aspect of life in her village, she is actually telling the story of Acadie.

More than 25 years after its first publication in English, *La Sagouine* is available once again, this time in a new translation. Wayne Grady, one of Canada's most distinguished translators, faithfully recreates Acadian speech for an English readership in this new edition, bringing out the cultural richness of the language as well as *La Sagouine*'s strength of character and irrepressible humour.

La Sagouine launched the careers of both Antonine Maillet and the actress Viola Léger. with sales of over 100,000 copies, it brought the existence of Acadian literature to a wide and admiring audience. This new edition will introduce it once again to a new generation of English readers.
