Predator: Rape and Injustice in Seattle Jack Olsen

New file, updated and posted July 17, 2015

Jack Olsen, "the master of the true crime book,"* now gives us an incisive, probing look into the creation and development of the criminal mind, as well as a shocking case of justice gone awry.

From childhood, McDonald Smith took to heart the lessons drummed into him by antisocial relatives and peers. As a teenager, unburdened by conscience or pity, he experimented with child abuse and bestiality, then moved on to larceny, stickups, incest, and, finally, rape. Warned by a "witch" that he was about to be arrested, he fled Los Angeles for Seattle and the Northwest -- already the breeding ground of predatory monsters like Ted Bundy, Kenneth Bianchi, and the Green River Killer. There, for years, he stalked the women of Seattle, seeking his prey on the dark streets and in the quiet homes, then returning to his wife and family: too careful -- and too clever -- to be caught.

By fall 1980, Mac Smith's luck still held. A respectable young businessman named Steve Titus found himself charged with one of Smith's most sadistic rapes in a nightmarish case of mistaken identity and injustice. The idealistic Titus was certain that the American system of justice would clear him -- right up to the day that a jury of his peers returned a verdict of guilty as charged.

While Mac Smith continued to terrorize the women of Seattle, Titus lost everything: his reputation, his job, his loved ones, his freedom. It was only when a Pulitzer prize-winning reporter answered Titus's pleas for justice that the terrible truth emerged: a truth that was darker than anyone imagined.

Predator is a gripping work of true crime reporting: Jack Olsen doing what he does best. It is a searing study of violations: of women, of justice, of power, and of the human spirit.

*Jonathan Kellerman

Amazon.com Review

With careful reporting that sticks close to the facts, Jack Olsen tells stories that seem straight out of crime fiction, and yet are all the more compelling for being true. This book focuses on three men--a criminal who preyed on women, a carefree partygoer who was wrongly convicted of the predator's crimes, and a reporter for the Seattle Times who won a Pulitzer Prize for tracking down the truth. It's supposed to be a rare event in the U.S. judicial system that someone this innocent gets screwed this badly. Even if it only happened to one person every decade, it would still be a horrible thing. And the smiling rapist, described as having a sweet "Jesus-like" countenance, knowingly allowed that to happen. Olsen not only delivers a real page-turner, but he ties up all the loose ends before the book's memorable and satisfying finale.

Maybe it is to become best activity for you. You know beside you can spend your time along with your favorite's book, you can better than before. Do you agree with it is opinion or you have some other opinion?

Morris Sampson:

Book will be written, printed, or descriptive for everything. You can realize everything you want by a guide. Book has a different type. As it is known to us that book is important factor to bring us around the world. Alongside that you can your reading proficiency was fluently. A reserve Predator: Rape and Injustice in Seattle will make you to always be smarter. You can feel more confidence if you can know about anything. But some of you think that will open or reading the book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you trying to find best book or appropriate book with you?

Kenneth Garrison:

Book is to be different per grade. Book for children right up until adult are different content. As we know that book is very important normally. The book Predator: Rape and Injustice in Seattle was making you to know about other information and of course you can take more information. It is very advantages for you. The reserve Predator: Rape and Injustice in Seattle is not only giving you considerably more new information but also to be your friend when you experience bored. You can spend your spend time to read your reserve. Try to make relationship together with the book Predator: Rape and Injustice in Seattle. You never feel lose out for everything should you read some books.

Catharine Rosol:

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Predator: Rape and Injustice in Seattle can make you truly feel more interested to read.
