God is funny. Seriously. He's seriously funny. God is very serious about the way we live our lives, but he is also a God with a sense of humor. In this lighthearted collection of Bible ditties, author Paul Wesler shares real-life situations where God--and his humor--is present. In 'Dandelions,' Wesler tells readers to endure hardships, to be like the pesky dandelions that come back no matter how many times they're mowed down. 'Grin Reapers' teaches that just a simple smile will reap great rewards. 'No Littering' addresses the issue of gossip, comparing it to a litter of cats in a bag that are let out when gossip is spread. These stories and others like them impart simple but valuable lessons that remind readers that God has not lost his sense of humor, and everyone can share the last laugh.
