Don't miss this exciting sequel to Blog This by #1 Bestselling Inspirational author, Cami Checketts

"This book was so good I couldn't put it down. I was fun to see so many characters from the first book, Blog This. I suggest you read that one first....by the end of the first book you start to like Alex. Yet, you want to hate him for all he has done. This book is really his redemption. You fall in love with all the characters even Alex. It is fast paced excitement the whole way through and such a great story! I was glad to see both Scott and Alex get the chance for love that they didn't get in the first one. Cami is one of my favorite Authors and once again she writes a really great book!" Julia Lance, Reviewer, Book Reviewing Rocks

"I cannot tell you how excited I was to read this book! Cami Checketts is one of my favorite authors. She knows how to write romantic suspense and I am always so drawn in by her books. I usually steam roll right through them because I cannot put them down. Redeem This grabbed me from the very beginning. The suspense is there from the very first chapter. There is a fantastic balance of suspense and character/relationship building. I could not put this book down!

Alex. Oy. Here's a guy that will make your heart squeeze. Honest. He is seeking redemption. Forgiveness. Acceptance. He's strong, handsome and yes, a bit dangerous. I'm telling you, heart SQUEEZE. One of the other things I love about not only this book but all of Cami's books is that they are clean. I cannot tell you how much I appreciate the no swearing/no sexual content.

Redeem This is the sequel to Blog This. If you haven't read Blog This yet, you really need to! Not only is it a fantastic book, it must be read before reading Redeem This." Aimee, Reviewer - Getting Your Read On
