As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just small students that has reading's internal or real their pastime. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's
