The Truth About Angels Ellen G. White

Although the Bible describes angels as God's messengers who carry out His will on earth, misconceptions abound regarding their nature and role in human affairs. Ellen G. White often lifted the veil between the seen and the unseen world, setting forth the truth about angels and their involvement in events on earth, as she described what God brought to her mind. Beginning with Lucifer's rebellion in heaven and continuing to the work of angels after the end of sin, this volume provides a behind-the-scenes view of the existence and activities of angels as they go about the work of heaven. Best of all, it will help you enjoy the fellowship of angels in your daily walk with God. The handsome, new binding is durable, strong, and a great addition to the Christian Home Library series.
