Modern Strategy

Colin S. Gray

Modern Strategy Colin S. Gray

Modern Strategy explains the permanent nature, but ever changing character, of strategy in light of the whole strategic experience of the twentieth century. The book is a major contribution to the general theory of strategy; it makes sense of the strategic history of the twentieth century, and provides understanding of what that strategic history implies for the century to come.

The book offers a uniquely comprehensive analysis of the different facets of modern strategy. The classic writings of Carl von Clausewitz are reconsidered for their continuing relevance, while possible successors are appraised. In addition to arguing that Clausewitz figured out what strategy was, and how it worked, the book probes deeply into strategy's political, ethical, and cultural dimension. The book explains how strategic behaviour in the twentieth century has expanded from the two-dimensional world of the land and the surface of the sea, to include the ocean depths, the air, space, and most recently the 'cyberspace' environments. It also offers details analyses both of nuclear matters and of the realm of irregular violence.

This is the first comprehensive account of all aspects of modern strategy since the Cold War ended and will be essential reading for all students of modern strategy and security studies.

From reader reviews:

Elizabeth Rodrigues:

Reading a book can be one of a lot of exercise that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new details. When you read a publication you will get new information simply because book is one of numerous ways to share the information or perhaps their idea. Second, examining a book will make a person more imaginative. When you examining a book especially hype book the author will bring someone to imagine the story how the character types do it anything. Third, you may share your knowledge to others. When you read this Modern Strategy, you are able to tells your family, friends in addition to soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a guide.

Benjamin Chambers:

Reading a guide tends to be new life style with this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Along with book everyone in this world could share their idea. Publications can also inspire a lot of people. Many author can inspire their own reader with their story or maybe their experience. Not only the storyplot that share in the textbooks. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some research before they write on their book. One of them is this Modern Strategy.

Michele Reynolds:

Why? Because this Modern Strategy is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will surprise you with the secret that inside. Reading this book beside it was fantastic author who write the book in such remarkable way makes the content interior easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of advantages than the other book have got such as help improving your talent and your critical thinking method. So , still want to hesitate having that book? If I have been you I will go to the guide store hurriedly.

Leah Humphries:

A lot of publication has printed but it is different. You can get it by world wide web on social media. You can choose the most effective book for you, science, amusing, novel, or whatever by simply searching from it. It is known as of book Modern Strategy. You can include your knowledge by it. Without leaving behind the printed book, it might add your knowledge and make you actually happier to read. It is most significant that, you must aware about guide. It can bring you from one destination to other place.
