Derek Soles

This book is a step-by-step guide to all the stages of writing an academic essay. The first part deals with gathering, evaluating and organising information; the second how to write effective introductions and concluding paragraphs, and the final section how to revise and edit your work. Full of practical tips and advice gleaned from years of experience as a tutor on the receiving end of essays, this is essential reading for every student in full- or part-time education today.
