Where Sea Meets Sky: A Novel Karina Halle

A new adult novel that perfectly captures the existential angst of your early twenties with raw wit, fresh insight, and true feeling from a critically adored *USA TODAY* bestselling author.

Joshua Miles has spent his early twenties spinning his wheels. Working dead-end jobs and living at home has left him exhausted and uninspired, with little energy to pursue his passion for graphic art. Until he meets Gemma Henare, a vivacious out-of-towner from New Zealand. What begins as a one-night stand soon becomes a turning point for Josh. He can't get Gemma out of his head, even after she has left for home, and finds himself throwing caution to the wind for the first time in his life.

It's not long before Josh is headed to New Zealand with only a backpack, some cash, and Gemma's name to go on. But when he finally tracks her down, he finds his adventure is only just beginning. Equally infatuated, Gemma leads him on a whirlwind tour across the beautiful country, opening Josh up to life, lust, love, and all the messy heartache in between. Because, when love drags you somewhere, it might never let go—even when you know you have to say goodbye.
