Dangerous churches are willing to put everything on the line for the one thing that matters most; reaching lost people. Through probing questions and amazing stories of God's grace, John Bishop confronts church leaders to embrace what matters most to the heart of God, whatever the cost. Most churches naturally gravitate to what is safe and familiar. Church leaders who take risks are bound to fail, and fear drives us to continue in our comfortable, but ineffective patterns. But reaching out to a lost world was never meant to be easy. Jesus promised his followers that they would have trouble in this world. Dangerous churches are churches that are willing to risk everything?comfort, safety, and the security of the familiar?for the sake of the one thing that matters most: reaching out to people who may spend eternity separated from the God who created them. God wants us to live on the edge of our margins, walking by faith and not simply following scripted methods or programmed patterns. Dangerous Church takes you back to the Book of Acts and reminds church leaders that the heartbeat of the church is not found in agendas or human plans, but in pursuing the mission of God and reaching out to a lost world. Learn what can happen when church leaders abandon their fears and begin to live a dangerous faith. Dangerous Church is part of the Leadership Network Innovation Series.
