Decklan Dare knows about the unexpected loss of loved ones and for this reason, he values control in all areas of his life. Amanda Collins enjoys the freedom she finds in casual encounters without the emotional connection a relationship brings. They meet and their physical attraction is mutual but both experience feelings that could run deeper - if they drop their guard and let each other in. Decklan is first to trust, but when he discovers the secret Amanda's been hiding, will he forgive? Or will he rebuild every wall before she has a chance to explain? (love story, contemporary romance, alpha heroes, beach reads, cop hero, bad boys, billionaire)
