As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's internal or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally.
