Getting Started in Consulting, Second Edition Alan Weiss

A new revision of the successful guidebook for novice consultants *Getting Started in Consulting, Second Edition* provides practical solutions and proven strategies for launching a consulting business. Readers will learn how low overhead and a high degree of organization can translate into a six-figure income working from a home office. The book also offers key information on how to finance a consulting practice, how to write proposals, how to set up billing and bookkeeping, and more. A new chapter also explains how to get started quickly for those who can't wait to generate cash flow or those who have a cash reserve they are immediately willing to commit. Alan Weiss (East Greenwich, RI) has consulted with hundreds of organizations around the world, including Mercedes-Benz, Hewlett-Packard, Merck, and the Times Mirror Group. He lectures widely and is the author of 12 books.

From reader reviews:

Judith Rayl:

What do you consider book? It is just for students since they are still students or the item for all people in the world, the particular best subject for that? Merely you can be answered for that concern above. Every person has distinct personality and hobby for every other. Don't to be pushed someone or something that they don't desire do that. You must know how great along with important the book Getting Started in Consulting, Second Edition. All type of book could you see on many methods. You can look for the internet resources or other social media.

Leon Moses:

Information is provisions for those to get better life, information today can get by anyone on everywhere. The information can be a information or any news even a problem. What people must be consider whenever those information which is in the former life are hard to be find than now could be taking seriously which one works to believe or which one often the resource are convinced. If you get the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen within you if you take Getting Started in Consulting, Second Edition as your daily resource information.

Marissa Wegener:

The book with title Getting Started in Consulting, Second Edition has lot of information that you can learn it. You can get a lot of gain after read this book. This specific book exist new expertise the information that exist in this reserve represented the condition of the world right now. That is important to yo7u to find out how the improvement of the world. This specific book will bring you inside new era of the globalization. You can read the e-book on the smart phone, so you can read this anywhere you want.

Joseph Myrick:

A lot of people said that they feel bored stiff when they reading a e-book. They are directly felt the item when they get a half areas of the book. You can choose the actual book Getting Started in Consulting, Second Edition to make your own reading is interesting. Your current skill of reading talent is developing when you just like reading. Try to choose very simple book to make you enjoy to see it and mingle the feeling about book and looking at especially. It is to be first opinion for you to like to open up a book and read it. Beside that the publication Getting Started in Consulting, Second Edition can to be your brand new friend when you're sense alone and confuse in doing what must you're doing of their time.
