## **Gift From The Sea** Anne Morrow Lindbergh

In this inimitable, beloved classic-graceful, lucid and lyrical-Anne Morrow Lindbergh shares her meditations on youth and age; love and marriage; peace, solitude and contentment as she set them down during a brief vacation by the sea. Drawing inspiration from the shells on the shore, Lindbergh's musings on the shape of a woman's life bring new understanding to both men and women at any stage of life. A mother of five, an acclaimed writer and a pioneering aviator, Lindbergh casts an unsentimental eye on the trappings of modernity that threaten to overwhelm us: the time-saving gadgets that complicate rather than simplify, the multiple commitments that take us from our families. And by recording her thoughts during a brief escape from everyday demands, she helps readers find a space for contemplation and creativity within their own lives. With great wisdom and insight Lindbergh describes the shifting shapes of relationships and marriage, presenting a vision of life as it is lived in an enduring and evolving partnership. A groundbreaking, best-selling work when it was originally published in 1955, Gift from the Sea continues to be discovered by new generations of readers. With a new introduction by Lindbergh's daughter Reeve, this fiftieth-anniversary edition will give those who are revisiting the book and those who are coming upon it for the first time fresh insight into the life of this remarkable woman.
