This introductory text is based on a successful, four-skills approach to German that stresses communicative competence, cultural awareness, and mastery of language structures.

Each lesson includes: *Dialoge*, which introduces new grammar and vocabulary in context; two *Wortschatz* sections, (1) contains words and phrases from *Dialoge* and other related items for use in exercises, and (2) contains vocabulary needed to understand *Lesestück* (reading); and *Variationen*, activities that encourage students to use material from the *Dialoge* to express their own thoughts, ideas, and experiences.
