JonBenet Ramsey was six years old when she was murdered on Christmas night, 1996 in her home in Boulder, Colorado. Her killer has never been brought to justice, because the police, prosecutors, lawyers, and her own family were too focused on their own careers, public images, political agendas, and social status. Experts sold out, lawyers used every dirty trick available, and police were hamstrung by political maneuvering and restrictions placed on them largely without public consent. She was An Angel Betrayed. The murder of JonBenet Ramsey was a tragedy for her and her loved ones. The corrupted investigation into her death was tragic for the entire country. Now, a common man tells how the American justice system has been compromised by money, politics and cowardice, and how it bodes ill for where our society is headed. About the Author: David J. Hughes was born to a working-class family in Vermont. He was inspired to write this book by frustration and a strong sense of duty. This is his first book.
