## Best Erotic Romance 2013

So what happens with love meets sex? Erotic love is that delicious blend of hearts and minds and bodies, a combination of sweet and dirty, romantic and sexy. Sex by itself—hot, steamy, sensual sex—is one of the best things this life has to offer. But then, so is love. First love, new love, renewed love; love that has stood the test of time, love that has conquered every obstacles. It doesn't matter if it's a new relationship, such as Jeanette Grey's yogo-bound characters in "Teach Me," or a long-term relationship like Dominic Santi's happily (and lusty) married couple in "Kiss of Peace"— the combination of sex and love is incendiary. The collection is split between familiar authors and authors new to the genre. Best-selling author Kate Pearce delivers a scorching hot fantasy that takes place in a department store dressing room in "The Price of Love." Teresa Noelle Roberts has a sweetly erotic story about parents waiting for their adopted son in "Waiting for Ilya" and Geneva King's "Last Hundred Days" recounts the last hundred days between a divorcing couple.
