Chloe Turner thought she was going to marry the perfect man--until her fiance's plane crashed. And then she got the "really" bad news: he'd tried to fake his own death to avoid marrying her. Now America's most famous bridezilla (a tag she most definitely does "not" deserve), Chloe escapes to a remote island to avoid the paparazzi. And right next door is a man who just might be the cure for Chloe's heartache....A magnet for wild, complicated women, Max Sullivan is relieved to have finally found someone "normal." Chloe is his girl-next-door fantasy come to life, and best of all, she "gets" him. With her, he can be himself, a treasure-hunting millionaire who desperately wants out of his sexy but reckless job. But when Chloe's notoriety catches up with them, will their torrid romance make it to the mainland?
