Embattled Rebel: Jefferson Davis and the Confederate Civil War

James M. McPherson

Embattled Rebel: Jefferson Davis and the Confederate Civil War James M. McPherson
From the Pulitzer Prize–winning author of *Battle Cry of Freedom*, a powerful new reckoning with Jefferson Davis as military commander of the Confederacy

History has not been kind to Jefferson Davis. Many Americans of his own time and in later generations considered him an incompetent leader, not to mention a traitor. Not so, argues James M. McPherson. In *Embattled Rebel*, McPherson shows us that Davis might have been on the wrong side of history, but that it is too easy to diminish him because of his cause's failure. Gravely ill throughout much of the Civil War, Davis nevertheless shaped and articulated the principal policy of the Confederacy—the quest for independent nationhood—with clarity and force. He exercised a tenacious hands-on influence in the shaping of military strategy, and his close relationship with Robert E. Lee was one of the most effective military-civilian partnerships in history.

Lucid and concise, *Embattled Rebel* presents a fresh perspective on the Civil War as seen from the desk of the South's commander in chief.
