Lies That Kill: The Supernatural Battle For Truth Rob Randall

In LIES THAT KILL, Dr. Rob Randall presents ten different perspectives that underline one basic truth—lies kill; truth sets us free. This book is extremely important because it exposes some common lies that are generally believed to be true, and it proclaims the biblical truth in juxtaposition to each of those lies. The basic lies of this age and all the philosophies attached to them are leading many to hell and destruction. Dr. Randall, a multi-gifted man of God, convicts us as only the evangelist can. He effectively combines Scripture, historical references, charts, and personal testimonies to reveal areas of deception that are pervasive in our lives today. Our need is so great because the outcome of believing deception and lies is so profoundly destructive. The light that Randall sheds on our time and culture and our perishing life appears to us as light in darkness. The light of truth is starkly contrasted to the darkness of our present time and decadence. The choices given us are clearly stated. This book will divide. Dr. Randall and LIES THAT KILL are to God the aroma of Christ among those who are being saved and those who are perishing—to the perishing, the smell of death; to those being saved, the fragrance of life (paraphrase of 2 Corinthians 2:15-16 NIV).
