Path of the Assassin Brad Thor

After rescuing the President from kidnapers in Brad Thor's roaring national bestselling debut, Navy SEAL turned Secret Service Agent Scot Harvath shifts his attentions to rooting out, capturing, or killing all those responsible for the plot. As he prepares to close out his list, a bloody and twisted trail of clues points toward one man—the world's most ruthless terrorist. One problem remains: Harvath and his CIA-led team have no idea what the man looks like. With no alternative, they are forced to recruit a civilian—a woman who has survived a brutal hijacking and is now the only person who can positively identify their quarry. From the burning deserts of North Africa to the winding streets of Rome, Harvath must brave a maelstrom of bloodshed and deception before a madman's twisted vision engulfs the world in the fires of all-out war.
