Getting to Happy Terry McMillan

From the author of WAITING TO EXHALE...

Best friends Savannah, Gloria, Bernadine, and Robin have had their share of broken marriages, concessions, and the lessons learned from taking happiness for granted. Now, with each at a crossroads that will define their future, it's time for these women to get their act together. They're on their way to healing past hurts and to reclaiming the joy and the dreams they deserve. And they're doing it with spirit, sass, and hard-earned faith in one another. It's been fifteen years since they exhaled: now they're finally learning to breathe.
