Noir Brian Azzarello, Ed Brubaker, Alex de Campi, Others

The biggest names in comics crime fiction assemble for an anthology of original tales of murder and deceit, presented in glorious black and white! Comics luminaries Brian Azzarello (100 Bullets), Ed Brubaker (Criminal, Sleeper), David Lapham (Stray Bullets), Rick Geary (Treasury of Victorian Murder), Chris Offutt (HBO's True Blood), and Paul Grist (Kane) show why they're masters of the genre, while newer talents like Jeff Lemire (Essex County Trilogy), M. K. Perker (Cairo, Air), and Alex de Campi (Smoke) reveal their surprising dark sides. Aided and abetted by some of the most gifted slatherers of thick, black India ink in the field, such as Sean Phillips (Criminal), Eduardo Barreto (Cobb), Dean Motter (Mister X), and more, this gang is headed straight for the bad parts of town, and you're invited along for the ride!

From reader reviews:

Leif Gibbs:

As people who live in the actual modest era should be update about what going on or details even knowledge to make all of them keep up with the era that is always change and advance. Some of you maybe can update themselves by reading books. It is a good choice in your case but the problems coming to you is you don't know what kind you should start with. This Noir is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and wish in this era.

Latoya Jones:

The guide untitled Noir is the reserve that recommended to you to study. You can see the quality of the reserve content that will be shown to anyone. The language that writer use to explained their ideas are easily to understand. The copy writer was did a lot of research when write the book, to ensure the information that they share for you is absolutely accurate. You also could get the e-book of Noir from the publisher to make you much more enjoy free time.

Franklin Richter:

Is it a person who having spare time and then spend it whole day through watching television programs or just telling lies on the bed? Do you need something new? This Noir can be the answer, oh how comes? The new book you know. You are and so out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what these publications have than the others?

Jose Higham:

A number of people said that they feel bored stiff when they reading a book. They are directly felt this when they get a half regions of the book. You can choose often the book Noir to make your own reading is interesting. Your own skill of reading talent is developing when you such as reading. Try to choose simple book to make you enjoy to read it and mingle the idea about book and reading through especially. It is to be first opinion for you to like to open up a book and read it. Beside that the guide Noir can to be your brand new friend when you're sense alone and confuse using what must you're doing of the time.
