An Afternoon By the Pool

I had just said goodbye to my ex-boyfriend who had decided he needed to be a free man at college. I was looking at a year off before I decided to start college, and was determined to have a little fun. After only being with one man for so long I felt a little shy about getting out there and making that fun happen. So that fun meant laying by the pool in my backyard, fantasizing about what might be. Who knew that with the right mixture of sunshine and desire all of my fantasies would come true? It certainly was an afternoon I would never forget.

Natural Pleasures

After a dull date with a man that I thought would be a lot more fun, I was surprised to discover him waiting beside my car for me the next morning. I was not sure what to think when he insisted I join him for a camping trip, but his methods of persuasion were much too tantalizing to ignore. I discovered on our journey on the mountain that there are many ways to experience pleasure, and that there was certainly nothing boring about this man after all. He promised that he knew exactly what I needed, and it turned out, that he was right.

Earning It

I had an adventurous year off after graduating high school and before starting college. I was filling my time with sexual exploration, and loving every new adventure I had. When my Dad demanded I earn some money, I was certain it would take away from my fun. However, I had a wonderful surprise, when I discovered that work can be pleasure.

Horsing Around

My sexual journey was in full force and I was really enjoying my adventures. However, they were leaving me quite exhausted. When my friend Monica called requesting a girls' day out, I was hoping for massage and pedicure. Instead she insisted that I needed some fresh air and some real exercise. She was taking me horseback riding. I was disappointed at first, thinking of how sore I might become from riding in the saddle. I had no idea that my afternoon one horse back was going to turn into such an erotic adventure. After the horse took me for a wild ride, the handsome stranger who rescued me took me on an even wilder one.
