The Red Notebook: True Stories Paul Auster

***The Red Notebook* brings together in one volume all of Paul Auster's short, true-life stories?a remarkable collection of tales that documents the curious, miraculous, and sometimes catastrophic turns of everyday reality.**

Paul Auster has earned international praise for the imaginative power of his many novels, including *The New York Trilogy*, *Moon Palace*, *The Music of Chance*, *Mr. Vertigo*, and *Timbuktu*. He has also published a number of highly original non-fiction works: *The Invention of Solitude*, *Hand to Mouth*, and *The Art of Hunger*. In *The Red Notebook*, Auster again explores events from the real world large and small, tragic and comic?that reveal the unpredictable, shifting nature of human experience. A burnt onion pie, a wrong number, a young boy struck by lightning, a man falling off a roof, a scrap of paper discovered in a Paris hotel room?all these form the context for a singular kind of *ars poetica*, a literary manifesto without theory, cast in the irreducible forms of pure story telling.
