Body, Dress, and Identity in Ancient Greece

Mireille M. Lee

Body, Dress, and Identity in Ancient Greece Mireille M. Lee

This is the first general monograph on ancient Greek dress in English to be published in more than a century. By applying modern dress theory to the ancient evidence, this book reconstructs the social meanings attached to the dressed body in ancient Greece. Whereas many scholars have focused on individual aspects of ancient Greek dress, from the perspectives of literary, visual, and archaeological sources, this volume synthesizes the diverse evidence and offers fresh insights into this essential aspect of ancient society.
