The Golden Dawn is one of the most influential and respected systems of magic in the world. Over a century old, the teachings of this once-secret society are considered the capstone of the Western Esoteric Tradition. Yet many of the available books on the subject are too complex or overwhelming for readers just beginning to explore alternative spiritual paths.

The Essential Golden Dawn is for those who simply want to find out what the Golden Dawn is and what it has to offer. Written by recognized experts on the topic, this introduction to High Magic is both straightforward and succinct. It explores the origins of Hermeticism and the Western Esoteric Tradition, as well as the rich history of the Golden Dawn and its founders. This guide explains the "laws" of magic and magical philosophy, describes different areas of magical knowledge that a Golden Dawn magician can expect to learn, and presents basic rituals for the novice.

If you have been curious about the Golden Dawn, but intimidated by its scope, this concise guide will shed light on this powerful system of practical magic and spiritual growth.
