**From Beth Kendrick comes a hilarious and heartwarming story about bad dogs and the women who love them...**

Lara Madigan has a gift. She can help you find your soulmate--your canine soul mate, that is. As a dog trainer with a soft spot for strays, she's found the perfect home for sulky Shih Tzus, broken-down Border Collies, and diabolical Dalmatians. But while she'll always make room for one more rescue mutt, she's not sure she's ready to commit to another human being--especially after her long-term boyfriend drops the bomb: He's not a dog person.

Horrified and temporarily homeless, Lara and her furry pack move in with her mother, a wealthy fashionista who forbids even a single drop of drool. As word gets around the exclusive gated community, Lara is overwhelmed with demands for her services. A model wants personal training for her overweight "flabrador"; an aging socialite preps her pedigreed puppy for dog show domination.... If Lara can survive the breakup, the outrageous requests of her high-maintenance clientele, and her dogs' systematic destruction of her mother's McMansion, she might finally find the rescue dog who rescues her in return--by leading her straight to the guy who could be *her* perfect match.
