Brecht on Theatre

John Willit (editor/translator)

Brecht on Theatre John Willit (editor/translator)

This volume offers a major selection of Bertolt Brecht's groundbreaking critical writing. Here, arranged in chronological order, are essays from 1918 to 1956, in which Brecht explores his definition of the Epic Theatre and his theory of alienation-effects in directing, acting, and writing, and discusses, among other works, *The Threepenny Opera*, *Mahagonny*, *Mother Courage*, *Puntilla*, and *Galileo*. Also included is "A Short Organum for the Theatre," Brecht's most complete exposition of his revolutionary philosophy of drama. Translated and edited by John Willett, *Brecht on Theater* is essential to an understanding of one of the twentieth century's most influential dramatists.
