Everyone's looking to learn a new craft of trade these days. Turns out, knitting, crocheting, and sewing are all excellent trades to get into—handmade beauties! But if you don't know how to sew, this can create a problem. With this book, you'll learn all the great basics of sewing with a machine—and all without taking some expensive class in your local fabric store!

From threading your machine to ruffles, you'll get the low down on all the great tips about conquering these very basics of a new craft! Complete with pictures, this book leaves nothing to the imagination. With the starting rules for sewing covered in this book, you'll find yourself able to make: skirts, simple shorts, pants, pajama pants, hand bags, purses, and more!

Don't wait any longer! If you have a machine collecting dust, it's time to pull that thing down, blow off the dust, and get to making clothes that you love (and your friends will envy). To help you fully understand your machine, this book even comes with a small dictionary with pictures to help you identify items on your machine.

If you've never been one to simply “jump in” and “get your feet” wet, or manuals just tend to speak nonsense or another language altogether to you, then give this small book a try! **It breaks down sewing in short, easy-to-understand steps, making learning this new hobby a breeze, and enjoyable! So what are you waiting for? Learn to sew today!**

Inside You Will Learn:

- * How to get yourself acquainted with different pieces of your machine
- * **How you can start threading your machine**
- * How to sew a straight line
- * **How to use different stitching functions of your machine**
- * In detail stitching of the Zig-Zag stitch
- * **How to sew without a raw seam being visible (Top Stitching)**
- * All the basics you need to know to sew with Elastic and using Ruffles

Would You Like To Know All That And Much More??

Grab this great little guide now and get started on your journey towards sewing great products!!
