Build Gospel-DNA in Your Small Group Lots of Christians talk about the gospel, but how many really understand the gospel and know how to apply it to their lives? This nine-lesson small group study will help participants understand how the gospel shapes every aspect of life. Each lesson is self-contained, featuring clear teaching from Scripture, and requires no extra work outside of the group setting. The self-explanatory Leader's Guide helps small group leaders with discussion questions and background material that clearly explain and apply the gospel truths from each lesson. Designed for: Pastors and leaders who want to spur gospel renewal in their churches and ministries. Church-planters who want to form gospel DNA in the churches they start. Students and campus ministers who are looking to live out the gospel on campus. Christians who want to be more deeply formed around the gospel. Small group leaders who are looking for content that works with diverse groups of people. Missionaries who are looking for simple material to disciple new Christians.
