The Insufficiency of Virtue: Macbeth and the Natural Order

Jan H. Blits

The Insufficiency of Virtue: Macbeth and the Natural Order Jan H. Blits

The first scene-by-scene philosophical study of any Shakespeare play, this book demonstrates why Shakespeare's poetic writings still arouse and sustain serious inquiry and reflection. Using a combination of philosophical rigor, political insight, and textual thoroughness, Jan H. Blits delineates the competing forms of virtue within *Macbeth*--the courageous public virtue of warriors like Macbeth and the internal Christian virtue evoked by Duncan. This new interpretation of *Macbeth* explains crucial paradoxes overlooked by previous scholars and will serve as a model for future scholarship in the field.
