### A scientific look at zombies-the ultimate guide to how the other half lives (or not)

How fast and far would a zombie infection spread? What would a nutritionist say about an all-brain diet? Why are the undead so pissed off? Here are the answers to all of your essential zombie questions (you know you've asked them), with a lively, science-based exploration of every aspect of the undead.

- First book to examine the possible science of our undead brethren, from what a zombie brain looks like to why zombies don't get fat
- Fact-based approach-looks at zombies through the lens of real science
- Perfect gift for zombies (assuming they could read) and zombie-philes

Dripping with great zombie factoids and insights, *The Proper Care and Feeding of Zombies* will flesh out your understanding of the living dead.
