## Where does friendship stop and love begin?

At just 19, Kendall Bettencourt is Hollywood's hottest young starlet, with the world at her feet – but behind the glamour and designer dresses is a girl who longs for normal.

Payton Taylor is Kendall's best friend since childhood, and the one person who reminds her of who she *really* is – her refuge from the craziness of celebrity life.

With her career taking off, Kendall moves Payton to LA to help keep her sane. But Payton is hiding a secret that could make everything ten times worse. Because to her, Kendall is more than a best friend – she is the only girl that she has ever loved.

Just as they need each other more than ever, they'll have to answer the question of where friendship stops and love begins? And find out whether the feelings they have can survive the mounting pressure of fame...

*The Gravity Between Us* is a daring, romantic, emotional story about **friendship, love**, and finding the **courage to be yourself** in a crazy world.

## Praise for The Gravity Between Us

'*The Gravity Between Us* is a **fantastic read--humorous, romantic and daring**. Kristen's writing style is engaging and honest. In Payton and Kendall, she's succeeded in creating characters whom you care about instantly. And her portrayal of their relationship is beautifully rendered. **I loved the Hollywood angle**, the question of how one learns to deal with other people's reactions to same sex relationships and the idea of the zany game that is celebrity.

For me, *The Gravity Between Us* is a **must-read new adult novel!** I can't wait to read Kristen Zimmer's next book!' **5 Stars!**
