“Charlie is a vibrant writer with an excellent voice and great world building. I thoroughly enjoyed the *Paper Magician*.” —Brandon Sanderson, author of *Mistborn* and *The Way of Kings*

Ceony Twill arrives at the cottage of Magician Emery Thane with a broken heart. Having graduated at the top of her class from the Tagis Praff School for the Magically Inclined, Ceony is assigned an apprenticeship in paper magic despite her dreams of bespelling metal. And once she’s bonded to paper, that will be her only magic...forever.

Yet the spells Ceony learns under the strange yet kind Thane turn out to be more marvelous than she could have ever imagined—animating paper creatures, bringing stories to life via ghostly images, even reading fortunes. But as she discovers these wonders, Ceony also learns of the extraordinary dangers of forbidden magic.

An Excisioner—a practitioner of dark, flesh magic—invades the cottage and rips Thane’s heart from his chest. To save her teacher’s life, Ceony must face the evil magician and embark on an unbelievable adventure that will take her into the chambers of Thane’s still-beating heart—and reveal the very soul of the man.

From the imaginative mind of debut author Charlie N. Holmberg, *The Paper Magician* is an extraordinary adventure both dark and whimsical that will delight readers of all ages.

From reader reviews:

Maria Freeman:

As people who live in the modest era should be up-date about what going on or data even knowledge to make these people keep up with the era and that is always change and progress. Some of you maybe will probably update themselves by looking at books. It is a good choice in your case but the problems coming to an individual is you don't know what one you should start with. This The Paper Magician (The Paper Magician Series) is our recommendation to help you keep up with the world. Why, because book serves what you want and wish in this era.

Joseph Esparza:

Are you kind of active person, only have 10 or perhaps 15 minute in your time to upgrading your mind proficiency or thinking skill even analytical thinking? Then you have problem with the book as compared to can satisfy your small amount of time to read it because all of this time you only find book that need more time to be study. The Paper Magician (The Paper Magician Series) can be your answer because it can be read by you actually who have those short time problems.

Marvin Ober:

Is it an individual who having spare time in that case spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This The Paper Magician (The Paper Magician Series) can be the response, oh how comes? The new book you know. You are so out of date, spending your free time by reading in this new era is common not a nerd activity. So what these guides have than the others?

Everette Murray:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just small students that has reading's internal or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Paper Magician (The Paper Magician Series) can make you really feel more interested to read.
