## The Routledge Handbook of Japanese Politics

*The Routledge Handbook of Japanese Politics* is an advanced level reference guide which surveys the current state of Japanese politics, featuring both traditional topics and cutting edge research. The volume is divided into five sections covering:

- domestic politics
- civil society
- social policy
- political economy
- and international relations/security

The first four sections begin with an overview chapter that provides historical background information on the section's overarching topic.

The chapters that follow explore more specific topics in the sub-area.

In the final section, historical background information is contained in the individual chapters which cover the diverse areas of international political economy, security and foreign policy.

Offering a complete overview of the full spectrum of Japanese politics, the Handbook is an invaluable resource for academics, researchers, policy analysts, graduate and undergraduate students studying this ever-evolving field.
