## **1 & 2 Thessalonians (Reformed Expository Commentary) Richard D. Phillips**

Years before writing Romans or Ephesians, Paul sent a pair of letters to a new church in Thessalonica. Three concerns governed Paul's teaching in these letters: What makes a healthy church? How should we view God's Word? What does a Christian life look like? Richard D. Phillips's commentary considers these foundational issues in a scholarly, pastoral, and practical manner and also explores Paul's end-times teaching—the clearest found in the New Testament. Through these studies, readers will find a refreshingly clear biblical summary of what will happen before, during, and after the Second Coming. Just as importantly, by touring Paul's singular teaching in 1 and 2 Thessalonians, readers will recover a joyful anticipation of Christ's return and receive hope for life in a challenging world.
