Dane is in North America, NYC then Toronto. The whole story centres around the issue of "abuse"; Dane meets Warren, a victim of abuse who escaped the clutches of the man who was hurting him; together they rescue Sean. In the process Dane meets Alex, he too was abused by the man who "rescued" him from the streets. Dane and Alex fall in love and they head back to Dane's home on the island of Jersey; all of the terrible past is coming out and they decamp to London so that Alex can see a therapist (Anton!) This is a story about standing up for yourself, those that you love and those who can't stand up for themselves.
