## **Geografias / Geographies (Spanish Edition) (Narrativa (Punto de Lectura))** Mario Benedetti

Poetic pursuits and narrative resources are frequently found interwoven in the work of Mario Benedetti. In *Geografias*, written in its entirety during the author's Spanish exile, Benedetti draws together fourteen short stories and a number of poems, pairing them off by similarities, and then placing each pair under the protective shield of a geographic stamp. Few works have managed to capture with such tenderness, humor and insight the vastness of a universal life routine which is often pierced with sorrow.

El país de la nostalgia a diario se restaura o se deforma en la imaginación. Las búsquedas poéticas y los recursos narrativos aparecen con frecuencia entrelazados en las obras de Mario Benedetti. En *Geografias*, libro íntegramente redactado durante su exilio español, el autor reúne catorce cuentos y otros tantos poemas, agrupados en dúos afines, colocando cada uno de esos pares bajo el resguardo de un membrete geográfico. Pocas veces se ha conseguido como en este libro recrear con tanta ternura, con tanto sentido del humor y tanta penetración un universo cotidiano a menudo traspasado por el sufrimiento.
