Robin Cook

Host Robin Cook

The explosive new thriller from *New York Times*–bestselling author and master of the medical thriller, Robin Cook.

Lynn Peirce, a fourth-year medical student at South Carolina’s Mason-Dixon University, thinks she has her life figured out. But when her otherwise healthy boyfriend, Carl, enters the hospital for routine surgery, her neatly ordered life is thrown into total chaos. Carl fails to return to consciousness after the procedure, and an MRI confirms brain death.

Devastated by Carl’s condition, Lynn searches for answers. Convinced there’s more to the story than what the authorities are willing to reveal, Lynn uses all her resources at Mason-Dixon—including her initially reluctant lab partner, Michael Pender—to hunt down evidence of medical error or malpractice.

What she uncovers, however, is far more disturbing. Hospitals associated with Middleton Healthcare, including the Mason-Dixon Medical Center, have unnervingly high rates of unexplained anesthetic complications and patients contracting serious and terminal illness in the wake of routine hospital admissions.

When Lynn and Michael begin to receive death threats, they know they’re into something bigger than either of them anticipated. They soon enter a desperate race against time for answers before shadowy forces behind Middleton Healthcare and their partner, Sidereal Pharmaceuticals, can put a stop to their efforts once and for all.

From reader reviews:

Betty Terry:

The reason why? Because this Host is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will distress you with the secret that inside. Reading this book next to it was fantastic author who also write the book in such remarkable way makes the content on the inside easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of advantages than the other book possess such as help improving your expertise and your critical thinking method. So , still want to delay having that book? If I were being you I will go to the publication store hurriedly.

Mary Sexton:

The book untitled Host contain a lot of information on that. The writer explains your girlfriend idea with easy means. The language is very clear to see all the people, so do not worry, you can easy to read it. The book was written by famous author. The author will bring you in the new age of literary works. You can easily read this book because you can keep reading your smart phone, or device, so you can read the book within anywhere and anytime. If you want to buy the e-book, you can available their official web-site and order it. Have a nice learn.

Ryan Harrison:

A lot of publication has printed but it is different. You can get it by web on social media. You can choose the most beneficial book for you, science, amusing, novel, or whatever simply by searching from it. It is named of book Host. Contain your knowledge by it. Without leaving the printed book, it might add your knowledge and make anyone happier to read. It is most important that, you must aware about publication. It can bring you from one place to other place.

Cynthia Tso:

What is your hobby? Have you heard that will question when you got students? We believe that that query was given by teacher to the students. Many kinds of hobby, All people has different hobby. And you also know that little person such as reading or as examining become their hobby. You need to understand that reading is very important and book as to be the point. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You discover good news or update regarding something by book. Numerous books that can you take to be your object. One of them is Host.
