## Notes from Underground (Vintage Classics) Fyodor Dostoevsky

Dostoevsky's most revolutionary novel, *Notes from Underground* marks the dividing line between nineteenth- and twentieth-century fiction, and between the visions of self each century embodied. One of the most remarkable characters in literature, the unnamed narrator is a former official who has defiantly withdrawn into an underground existence. In full retreat from society, he scrawls a passionate, obsessive, self-contradictory narrative that serves as a devastating attack on social utopianism and an assertion of man's essentially irrational nature.

Richard Pevear and Larissa Volokhonsky, whose Dostoevsky translations have become the standard, give us a brilliantly faithful edition of this classic novel, conveying all the tragedy and tormented comedy of the original.
