The Imitation of Christ (Vintage Spiritual Classics)

Thomas a Kempis

The Imitation of Christ (Vintage Spiritual Classics) Thomas a Kempis

Only the Bible has been more influential as a source of Christian devotional reading than **The Imitation of Christ**. This meditation on the spiritual life has inspired readers from Thomas More and St. Ignatius Loyola to Thomas Merton and Pope John Paul I. Written by the Augustinian monk Thomas à Kempis between 1420 and 1427, it contains clear instructions for renouncing worldly vanities and locating eternal truths. No book has more explicitly and movingly described the Christian ideal: "My son, to the degree that you can leave yourself behind, to that degree will you be able to enter into Me." With a new Preface by Sally Cunneen, author of **In Search of Mary: The Woman and the Symbol**.

"God is our home but many of us have strayed from our native land. The venerable authors of these Spiritual Classics are expert guides--may we follow their directions home."

--Archbishop Desmond Tutu
