What exactly is worship? How can we account for its power? In *Worship Seeking Understanding*, noted worship expert John Witvliet mines the riches of the Bible, theology, history, music, and pastoral research to provide windows into the practice of Christian worship.

With this work, Witvliet attempts to build bridges between theory and practice, among various worship-related disciplines, and across denominational lines. If worship renewal is to occur, each bridge must be formed. His hope is that this work will not only articulate questions about worship but also enrich the practice of worship in congregations today. Witvliet's broad scope and insightful advice will be welcomed by pastors, worship leaders, church leaders, and students.
