Delmar's Medical-Surgical Nursing Care Plans will help you develop specific and effective nursing care plans for your adult patients with the most commonly presented disorders. Each care plan includes information to guide you in creating comprehensive individualized nursing care plans based on solid scientific understanding of the condition and how it affects each of the patient's body systems. Care plans solicit specific patient data and prompt you to individualize the interventions while evaluating the patient's response. Delmar is a part of Cengage Learning.
