The Interactive Resource Center is an online learning environment where instructors and students can access the tools they need to make efficient use of their time, while reinforcing and assessing their understanding of key concepts for successful understanding of the course. The online *Interactive Resource Center* contains resources tied to the book, such as:

- Interactive Animations
- Interactive Self-tests
- Interactive Flashcards
- Case Studies
- Respondus Testbank (instructors only)
- Instructor's Manual (over 200 pages) including additional resources (Instructors only)
- Roadmap to the 12th Edition (Instructors only)
- Student Guide to the Textbook

With over 2,200 drawings and photographs—more than 300 of them new to this edition—*Mechanical and Electrical Equipment for Buildings* covers basic theory, preliminary building design guidelines, and detailed design procedures for buildings of all sizes, and also provides information on the latest technologies, emerging design trends, and updated codes. In addition, the companion web site includes over 30 Interactive Animations, new case studies, a test bank in Respondus, and Instructor's Manual.

From reader reviews:

Bette Morgan:

Book is actually written, printed, or illustrated for everything. You can know everything you want by a e-book. Book has a different type. As we know that book is important point to bring us around the world. Close to that you can your reading talent was fluently. A guide Mechanical and Electrical Equipment for Buildings, 12e with Interactive Resource Center Access Card will make you to become smarter. You can feel more confidence if you can know about anything. But some of you think this open or reading any book make you bored. It is far from make you fun. Why they may be thought like that? Have you seeking best book or acceptable book with you?

Teresa Riggs:

Reading a publication can be one of a lot of task that everyone in the world loves. Do you like reading book consequently. There are a lot of reasons why people like it. First reading a book will give you a lot of new facts. When you read a reserve you will get new information because book is one of a number of ways to share the information or perhaps their idea. Second, reading through a book will make a person more imaginative. When you examining a book especially tale fantasy book the author will bring you to definitely imagine the story how the figures do it anything. Third, you are able to share your knowledge to other people. When you read this Mechanical and Electrical Equipment for Buildings, 12e with Interactive Resource Center Access Card, it is possible to tells your family, friends and also soon about yours e-book. Your knowledge can inspire the others, make them reading a publication.

Michelle Seidl:

Playing with family inside a park, coming to see the marine world or hanging out with pals is thing that usually you could have done when you have spare time, after that why you don't try matter that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Mechanical and Electrical Equipment for Buildings, 12e with Interactive Resource Center Access Card, you may enjoy both. It is great combination right, you still wish to miss it? What kind of hangout type is it? Oh can occur its mind hangout men. What? Still don't get it, oh come on its identified as reading friends.

Jean McCallum:

Are you kind of active person, only have 10 or perhaps 15 minute in your moment to upgrading your mind skill or thinking skill actually analytical thinking? Then you are receiving problem with the book compared to can satisfy your short period of time to read it because all of this time you only find book that need more time to be go through. Mechanical and Electrical Equipment for Buildings, 12e with Interactive Resource Center Access Card can be your answer mainly because it can be read by an individual who have those short spare time problems.
