## Reunited

Angie and Marc have made it to Safe Haven and Kenn is already on the edge of murder. Will Adrian be able to stop the bloodshed or will everything he's built start to fall? Can he keep the enemy at bay long enough to teach his people how to be survivors of this new apocalyptic world? After months of carrying the burdens alone, Adrian finally has the help he needs. Five of the six have come and he can't wait to get things started. With Angie's magic and his people skills, he is about to rebuild an entire country... If he can keep them out of the Slaver's path long enough to get these special survivors to bond. If they won't work together, everyone is doomed.
